Ms Morgan`s Grade One Class

How Can Kids Help Fix the Earth?

By

Ms Morgan's Grade 1

Grow
a garden
to help
nature.

Grow a garden.

If you see Garbage on
The Floor Pick it up

and r ecycle

it!!!

Pick up garbage.

save trees by not using so
much and paper and reuse it
recycle

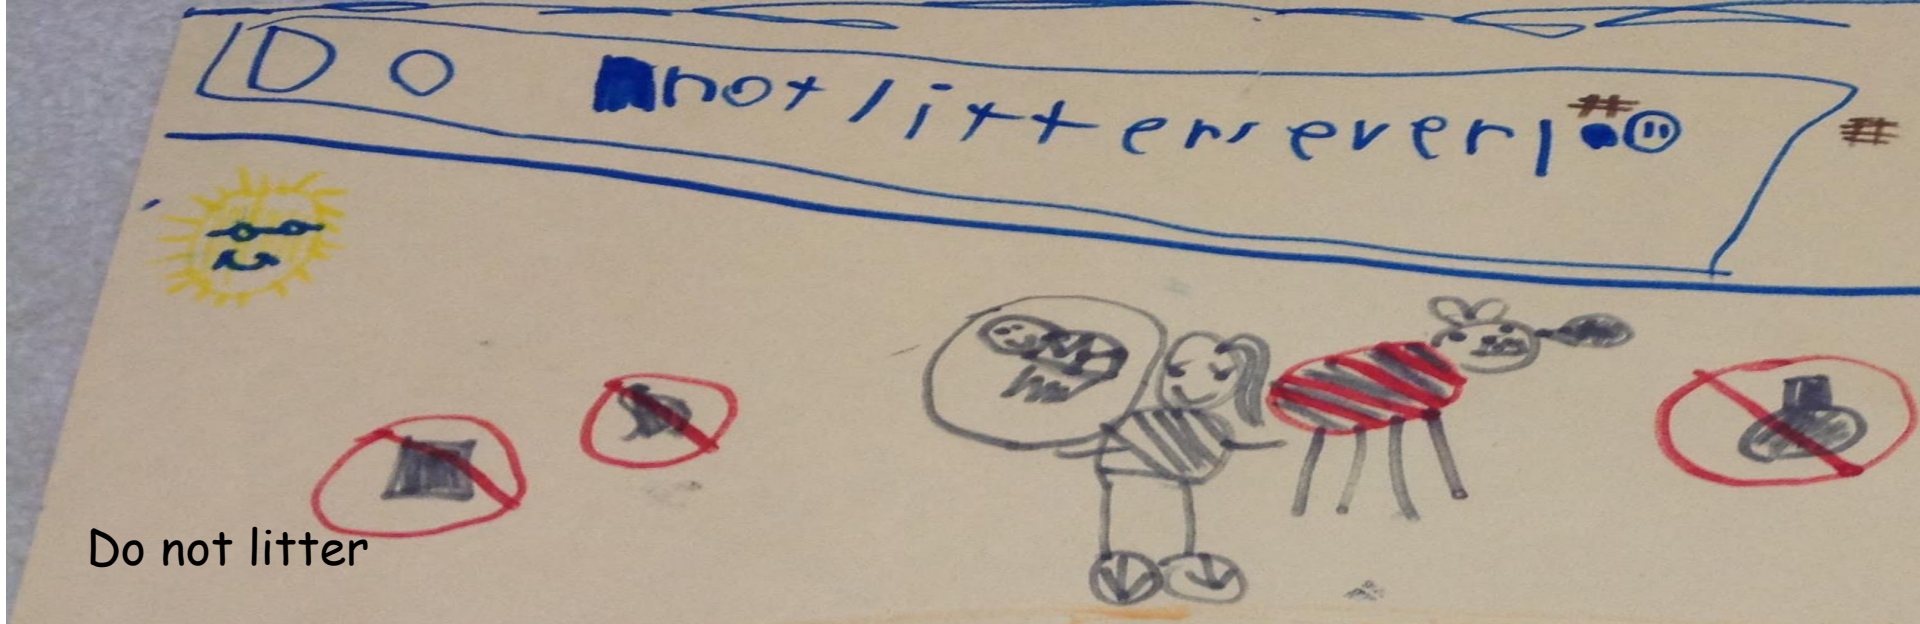

Save trees.

Share a Ride to School and Car Pool!

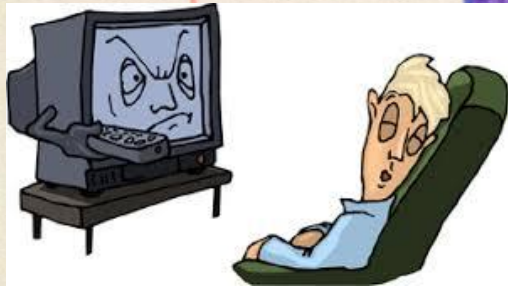

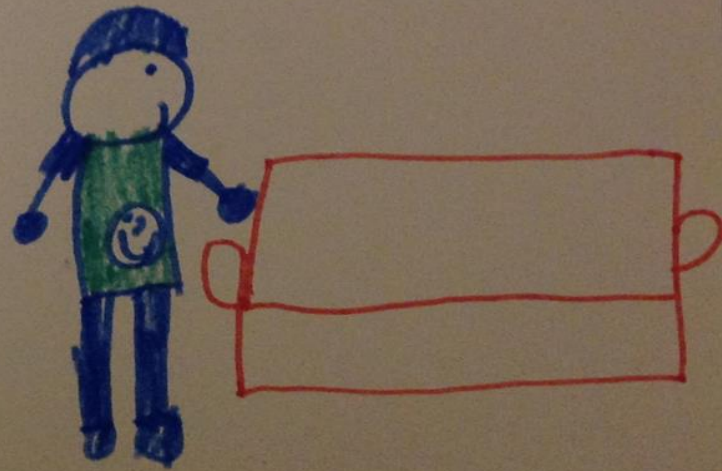

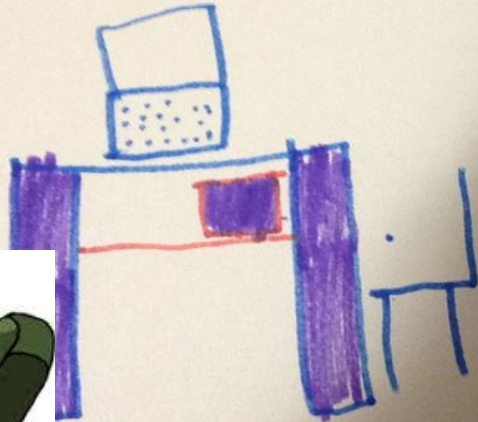

Car Pool

Try not to leave anything
on when you're not using
it.

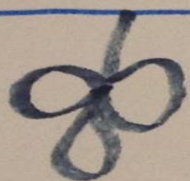

Turn things off when you are not using them.

Do not waste food.

Turn off the lights
Whenever you are not
using them

Turn off the lights when you
are not using them.

Trees Clean the air
so plant trees.

Plant trees.

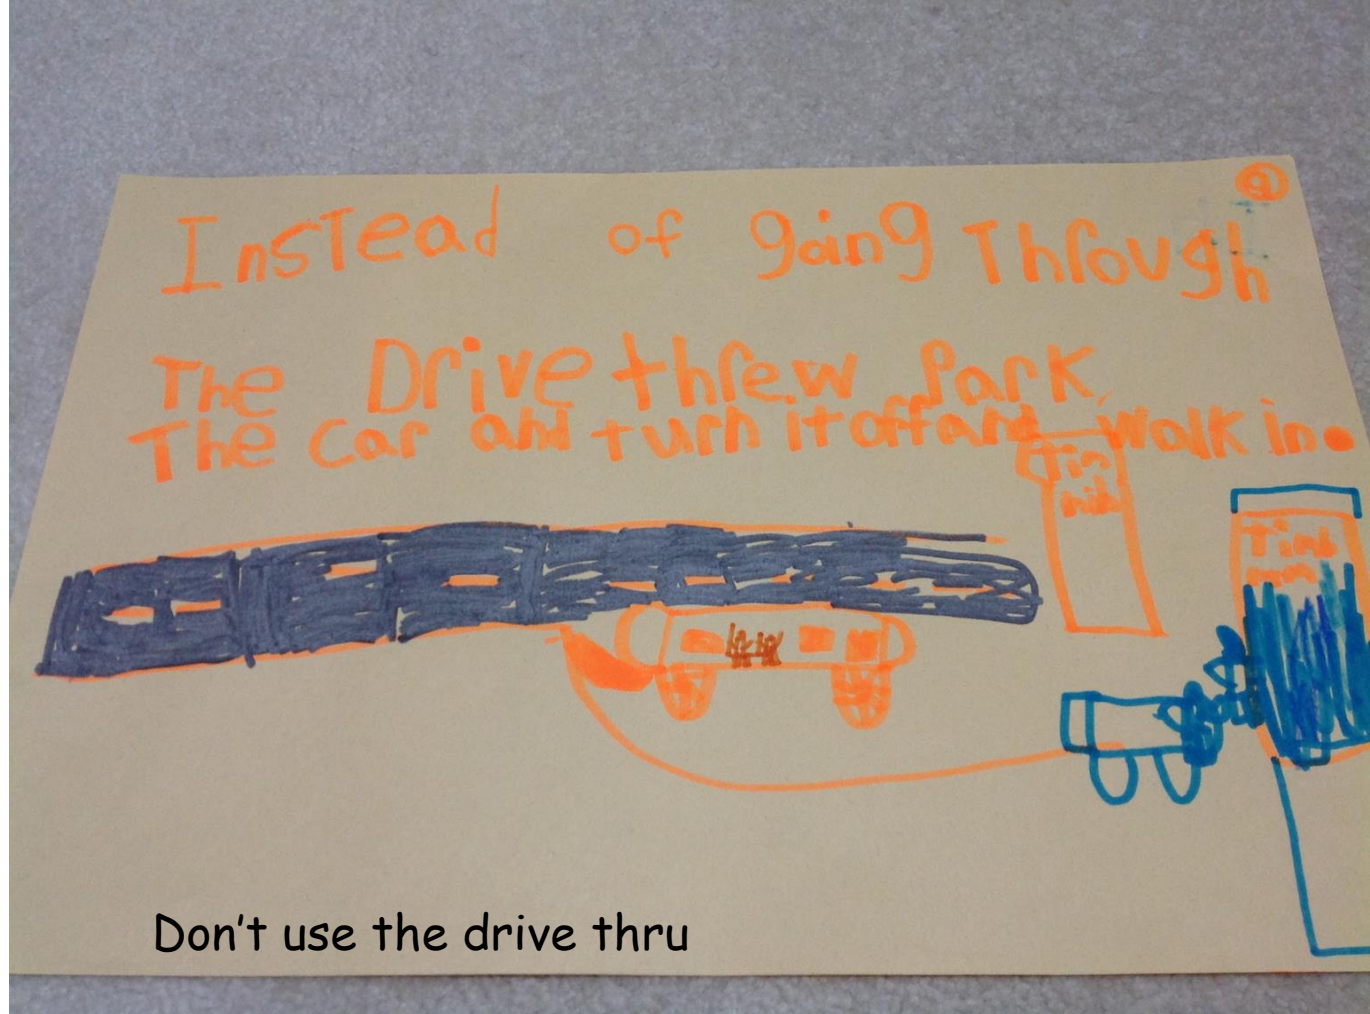

Use a reusable water bottle and do not buy plastic water bottles.

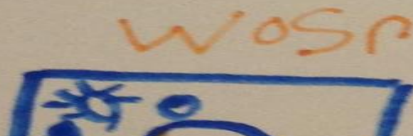

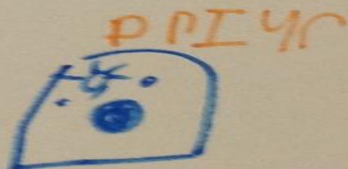

Use a reusable water bottle.

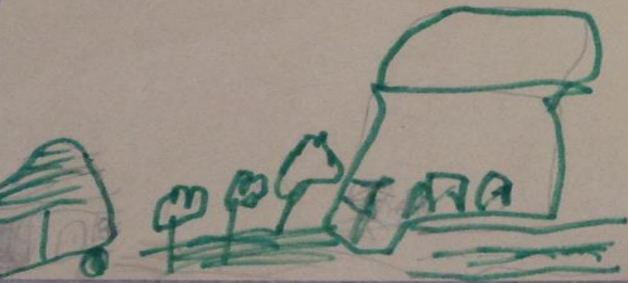

Hang up your clothes
to dry and don't use the dryer

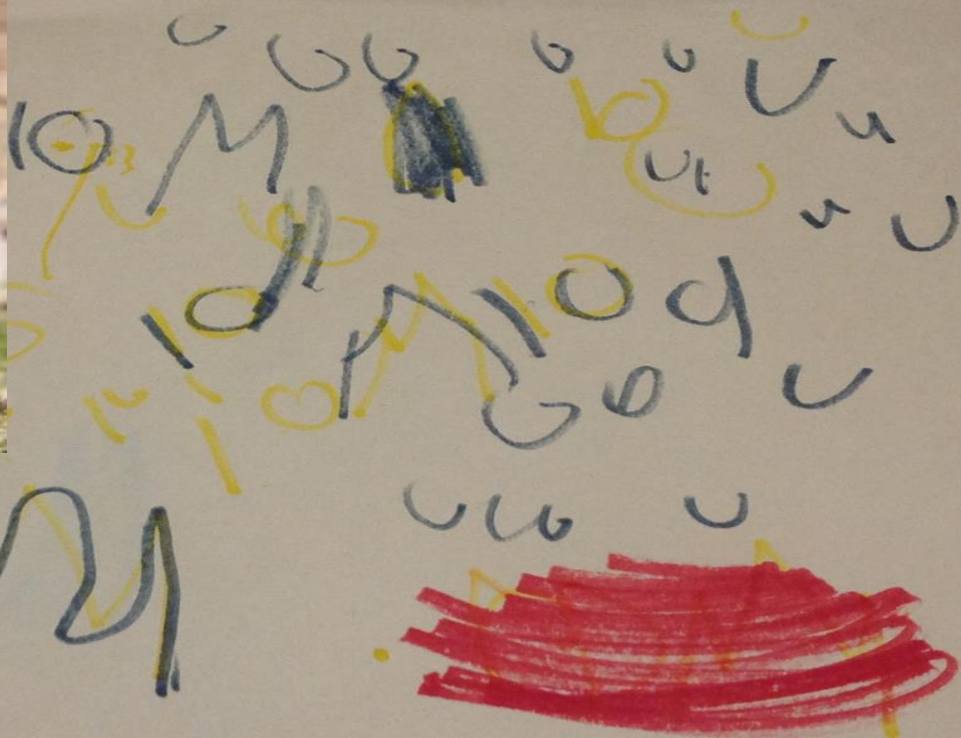

Hang up clothes to dry.

Remind your mom and dad to take the reusable grocery bags into the store.

Use reusable grocery bags.

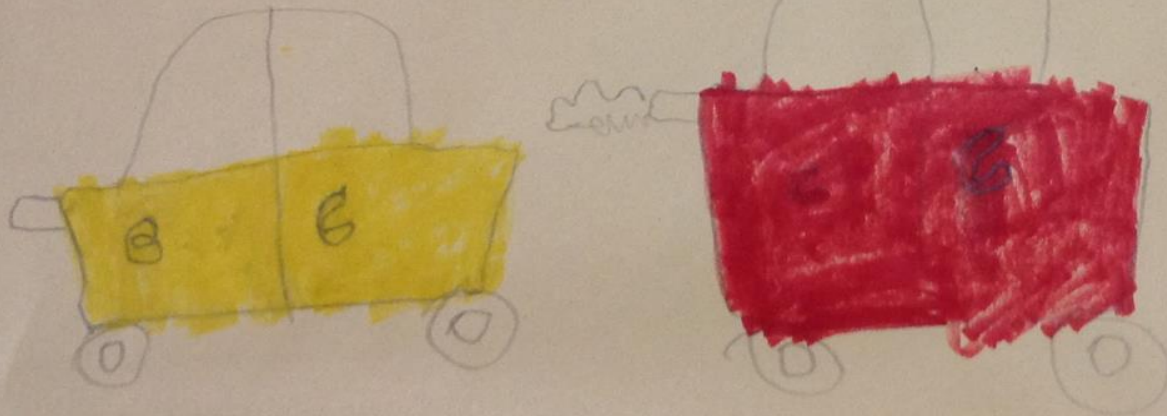

Cut plastic can holders so animals don't get stuck in them.

When your waiting in your car turn it off
no idling

No idling

Only buy what you need.

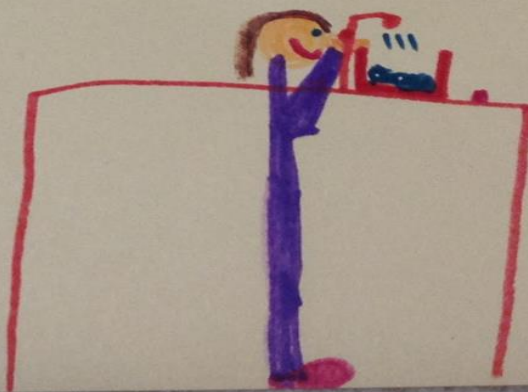

wh⁺ buy you
need only wh
~~on~~

need buy you
need buy you

Don't waste water.

12.
Don't waste water.

Reduce, Reuse, Recycle!

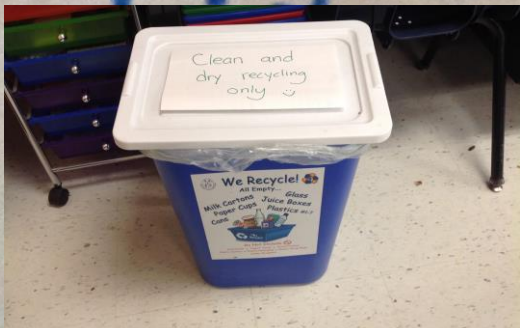

Reduce Reuse Recycle. 

Keep the recycling and garbage separate.

16

Put the garbage
in the right bin,
and the recycling in the
right bin.
