## Principal / Vice Principal's Message

Dear Parent(s)/Guardian(s),

As we enter the third month of our school year, we are reminded how quickly time passes when we are hard at work with life's activities. Students continue to apply themselves responding to the demands of the current school year, while adjusting to increasing expectations of a new grade and adapting to different teaching and learning strategies with their teachers. We are happy with their participation, positive attitude and progress and we continue to work in partnership with home, school and Parish.

Although we could not participate in our Annual School Halloween Dance-a-thon fundraiser, the students had fun dressing up in their costumes and participating in classroom Halloween crafts, activities and performances.

All Saints' Day is a solemn holy day of the Catholic Church and is celebrated annually on November 1. This date is dedicated to the saints of the church and it is the time we reflect on the works of our Saints. All Souls Day, on November 2nd is a holy day set aside for honouring the dead. Let us take time to venerate the faithfully departed and let us continue to pray for them. We look forward to our Remembrance Day Liturgy, which will be virtual and will take place on November 11 at 10:45am.

The Progress Report for grades 1-8, as well as Communication of Learning (Kindergarten), will go home on November 20. Both will help focus rich dialogue around student learning between teachers, their students, and parents/guardians. Parent-Teacher interviews will take place during the week of November 23-26. Teachers will contact parents and arrange a Google Meet and/or phone call for all interviews.

Bullying Awareness and Prevention week is November 15-21. We look forward to the many activities staff and students will be participating in to spread awareness.

Yours in Catholic Education

## Remembrance Day Liturgy

On November 11th we will be celebrating our Remembrance Day Liturgy virtually at 10:45 a.m. May we take this time to honor and remember the many men and women who have served and continue to serve our country during times of war and peace. As a whole school, we will pause to remind ourselves of how fortunate we are to live in this great country, Canada. A special thank you to Ms. Perry, Ms. Camerlango and Ms. McCarthy's classes for preparing and leading us in this liturgy.

## Mindful Mondays

Weekly, we welcome Mindful Mondays at St. Mary's to focus and promote student mental health and wellbeing. Mindfulness practice can be an especially important component of a child's life. The goal of our Mindful Monday's is to engage in methods of relaxation to relieve stress and anxiety and to achieve mental, emotional and physical well-being. Additionally, it encourages self-regulation strategies so that students can learn to become aware and manage their behaviour in various environments. We thank Ms. Zoccoli and Ms. Maggisano for leading this Initiative.

## St. Mary's Eco-Club

At St. Mary CES, we are making **green** living a part of our everyday school life.

As an Eco-Responsible School, St. Mary CES aims for learning to start in the classroom and expand to the community by engaging the next generation in action-based learning.

Throughout the year, SMY students will be engaged in various eco-friendly initiatives planned throughout the school year.
